YETI

Interns

This Is the second year that the Youth Environmental Tribal Intern's (YETI's) were employed by the Anvik Tribal Council. They worked from June 11 – August 17, 2007. This was a really productive summer for the youth. I noticed all of them had tons of fun and loved waking up to have something to do other than being bored all day.

**Roseanne Kruger-
Environmental Assistant**

We did a great deal of work this year.....

We made the park enjoyable so people could enjoy the spring water

06/21/2007

07/19/2007

The YETI's were in "The Council" newsletter

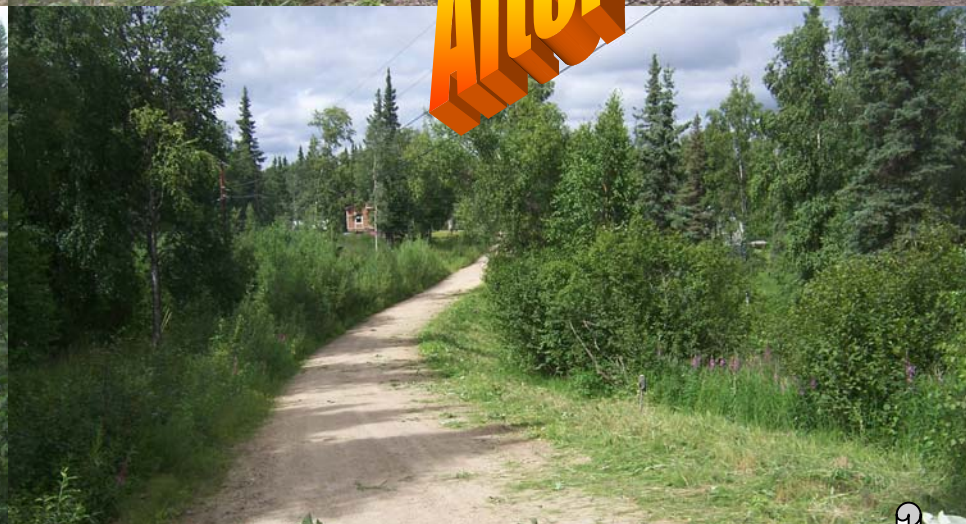

Before

After

We cut brush around the blindspots

We cut a lot of willows

**And
grass**

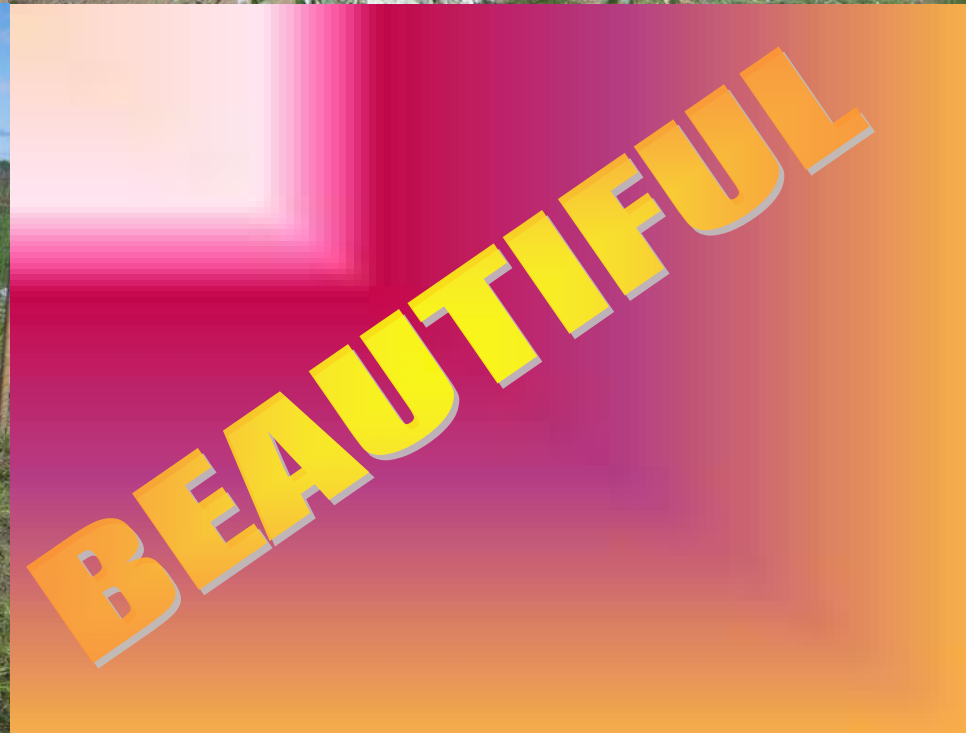

07/10/2007

07/10/2007

02/15/2005

We made a community garden w/ compost tumblers

07/10/2007

We made road signs

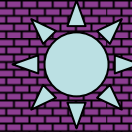

We made wooden boxes so the community could drop off their cans for recycling

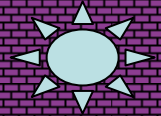

We also...

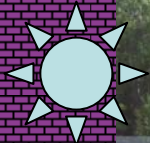

- *Empty trash barrels around town**
- *Backhaul & collect e-goods, white goods & old junk vehicles to be shipped out**
- *Help elders**
- * Have dump clean ups every few weeks**
